KEISHA BRICE

At one point in life I questioned whether or not I would graduate high school or be just like everyone else that comes from my background. My background being the "ghetto" the "hood" the "block" where according to statistics and society; the people that live in this environment are "gangsters and hoodlums," "hoes, bitches," and "baby mama's and crack heads." Well here's a reality check: As I grew older I began to realize that life's definition is struggle and there isn't enough reasoning that could explain why we suffer or face obstacles that at many times seem not worthy living for. As I grew older I realized that I wanted more for my family and future. I want a college degree, a big house, a fancy car and I will get all of these things legally. You see as time has passed so have problems and as time continues to pass problems will continue to come my way. But as my flower continues to bloom my knowledge, self esteem, and confidence will enhance and flourish within the soil and background that they are deeply rooted in. My background being my "ghetto," my "block," my "hood." Where my flower is deeply rooted.

SUNLIGHT COMES IN SHEETS THROUGH THE BLINDS AS DUST FLOATS IN THE AIR AND WE LEAN OUR HEADS ON THE COUCHES OR EACH OTHERS SHOULDERS SLOWLY LETTING THE WEEK ROOF OF OUR BACKS AS OUR STOMACHS BEGIN TO FILL WITH LIGHT ANTICIPATION FOR THE NIGHT TO COME. WE TURN THE RADIO UP AND DANCE AROUND THE BLANK ROOM WITH IT'S STAINED CARPET AND SUNKEN LOVE SEAT. WE DANCE UNTIL WE BREAK INTO DIZZY SWEATS

ON THE GROUND. WHO WOULD HAVE KNOWN THAT THESE MOMENTS WERE SO PRECIOUS AND THAT THIS FEELING COULD BECOME A MEMORY THAT JOGS TEARS AND FRUSTRATION. THE INNOCENCE AND ANTICIPATION, THE CALMNESS AND CAREFREE BEAUTY OF 16. MY HEART WAS NOT YET LOUSED BY THE HATRED THAT JEALOUSY CREATES AND MY BODY WAS STILL FRESH ENOUGH TO BY CARESSED BY THE SHINING OF THE CITY. WE WOULD DANCE, IT SEEMED FROM THE MOMENT WE GOT OUT OF SCHOOL UNTIL THE NIGHT, IN A WHIRL OF COLOR AND FEELS GOOD AND WE CAN'T EVEN IMAGINE WHAT

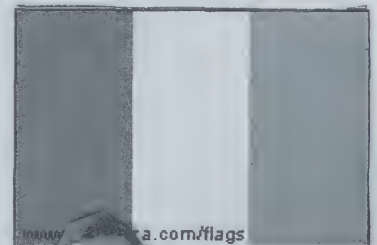

WILL HAPPEN WHEN IT'S GONE. IT'S THE MOMENTS OF FRIENDSHIP AND SOMETHING MORE, IT'S THE SECRETS KEPT TO DEATH THAT WE NO LONGER REMEMBER AND THE TIMES WE FELT UNBREAKABLE, TRULY FREE AND HAPPY IT'S ALL OF THIS THAT WE TAKE FOR GRANTED, AND THEN NEVER SEE AGAIN. WE HAVE FELT, EXPERIENCED, CREATED, MIRACLES TOGETHER ALL THE WHILE UNKNOWING. AND NOW WE MUST CONTINUE TO GROW AND BRING THE LIGHT THAT WE HAVE CREATED INTO THE WORLD, INSTEAD OF CRYING FOR THE PAST I WILL FEEL IT EVERYDAY AND KNOW THAT I HAVE HELD THE WORLD IN THE PALM OF MY HAND, I WILL NEVER AGAIN TAKE MY HAPPINESS FOR GRANTED.

If I could have just one wish,
I would wish to wake up everyday
to the sound of your breath on my neck,
the warmth of your lips on my cheek,
the touch of your fingers on my skin,
and the feel of your heart beating with mine...
Knowing that I could never find that feeling
with anyone other than you.

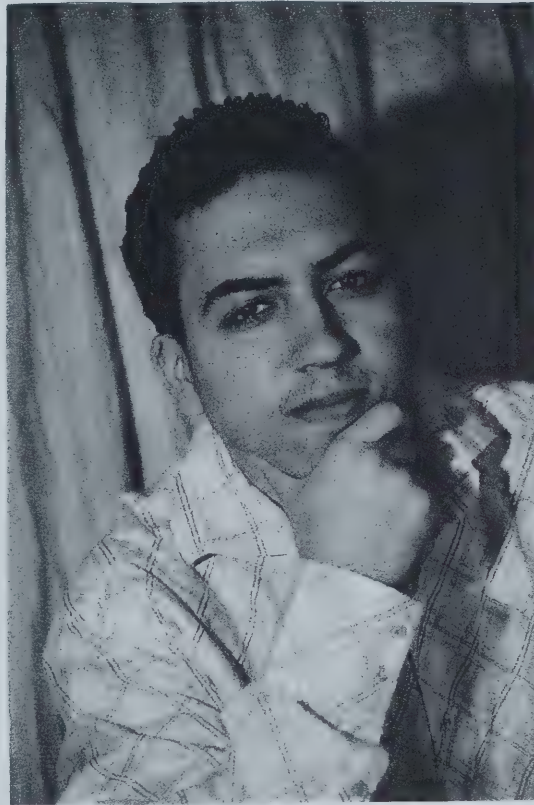

We had so much time to
get to know each other. Now
that we know that, we
will always be there for
each other. Life has
to separate us but don't
let life push us apart.
Let's live in each other's

Where do I start... Well high school's over & I look back & I've
 have been so difficult. I have grown in ways I never imagined I
 experienced so many different emotions at so many different times I
 never thought high school was gonna go by so quick. But has change
 me so much, I have become more open minded outspoken & independent
 I have met so many diverse ppl, adults & teenagers that have inspired
 me to become a better person. I still love alot, alot alot of growing
 up to do. But, like my mom says "Everything comes at the right time"
 "But where do I start w/ my mom, we have been through our ups &
 downs & all my real friends know how things have gone down. But I
 think of it the way if she didn't bring all her drama I wouldn't
 be me, lost but not least all my so called friends... all I can say
 is thanks 4 being yourself whether it was real or fake cause
 either way it made me stronger.

A dense, black and white collage of various photographs. The images are layered and overlapping, creating a complex visual. Key elements include: a large, central portrait of a smiling man with glasses; a woman holding a baby in the top right; a group of three women in the top center; a man and woman in the top left; a man and woman in the middle right; a group of three young women in the middle left; a dog's head in the bottom center; a man holding a baby in the bottom right; a woman with glasses in the bottom center; and several other smaller portraits and group shots scattered throughout. The overall composition is a rich tapestry of personal and candid moments.

I would have never
imagined that I would
make it out of High
school, but I'm so
grateful I am and
that I got to spend
the past 4 years at
such a great school.
I'm going to miss every-
one abt, especially
my VA family...
